PROFESSIONAL EXPERIENCE

Sr SEO Executive

Global Trade Nest | January 2024 - Present

- As a senior SEO Executive I focused on keyword research, on-page, and off-page SEO optimization, content development, and analytics monitoring to achieve the company's digital marketing goals

Laravel Developer

The Providers Solutions | September 2023 - December 2023

- As a junior Laravel developer at The Providers Solutions, I am excited to be part of a dynamic team dedicated to crafting innovative web solutions and contributing to the company's mission of providing cutting-edge services to clients. It's a rewarding journey of growth and development in a company committed to excellence in the industry.

Internship of Laravel

US Solutions | July 2023 - September 2023

- During my internship at US Solutions, I had the valuable opportunity to work as a Laravel developer. I have gained hands-on experience in crafting robust. I also had the chance to learn from experienced professionals and contribute to the success of the organization's web development initiatives.

SEO Executive

Ultimate Leather | October 2022 - June 2023

- I completed a valuable SEO internship at Ultimate Leather, where I honed my search engine optimization skills from October 2022 to December 2022.
- During my tenure as a Junior SEO Executive at Ultimate Leather from January 2023 to May 2023, I actively contributed to optimizing website content and improving search engine rankings.
- As a Senior SEO Executive at Ultimate Leather from May 2023 to June 2023, I focused on keyword research, on-page, and off-page SEO optimization, content development, and analytics monitoring to achieve the company's digital marketing goals
